	Other	1.99				

\*Approximately 1% of the NI population identify themselves as gay or lesbian. The Coalition on Sexual Orientation indicates that the Gay/Lesbian community is about 10 per cent of the Northern Ireland population. The closest proxy available comes from the Northern Ireland Life & Times Survey, 2010. It produced the following information for Northern Ireland as a whole. This is a sample survey and not a population estimate

\*\*You may decide to add this additional question into your monitoring form should you wish to ascertain a individuals birth right under the Good Friday Agreement (1998)
